- 20.4 The Agreement contains the whole agreement between the parties, and supersedes all prior agreements, arrangements and understandings between the parties, relating to its subject matter. Each party acknowledges that, in entering into the Agreement, it does not rely on any statement, representation, assurance or warranty (whether it was made negligently or innocently) of any person (whether a party to the Agreement or not) (each, a "**Representation**") other than as expressly set out in the Agreement. - 20.8 The failure of a party to enforce a provision of the Agreement or any rights with respect thereto (or any delay in so doing) shall not be a waiver of that provision or right, or in any way affect the validity of the Agreement. A waiver of any claim for a breach of the Agreement shall not operate to waive any claims in respect of any other breach.
